# WE HONOR

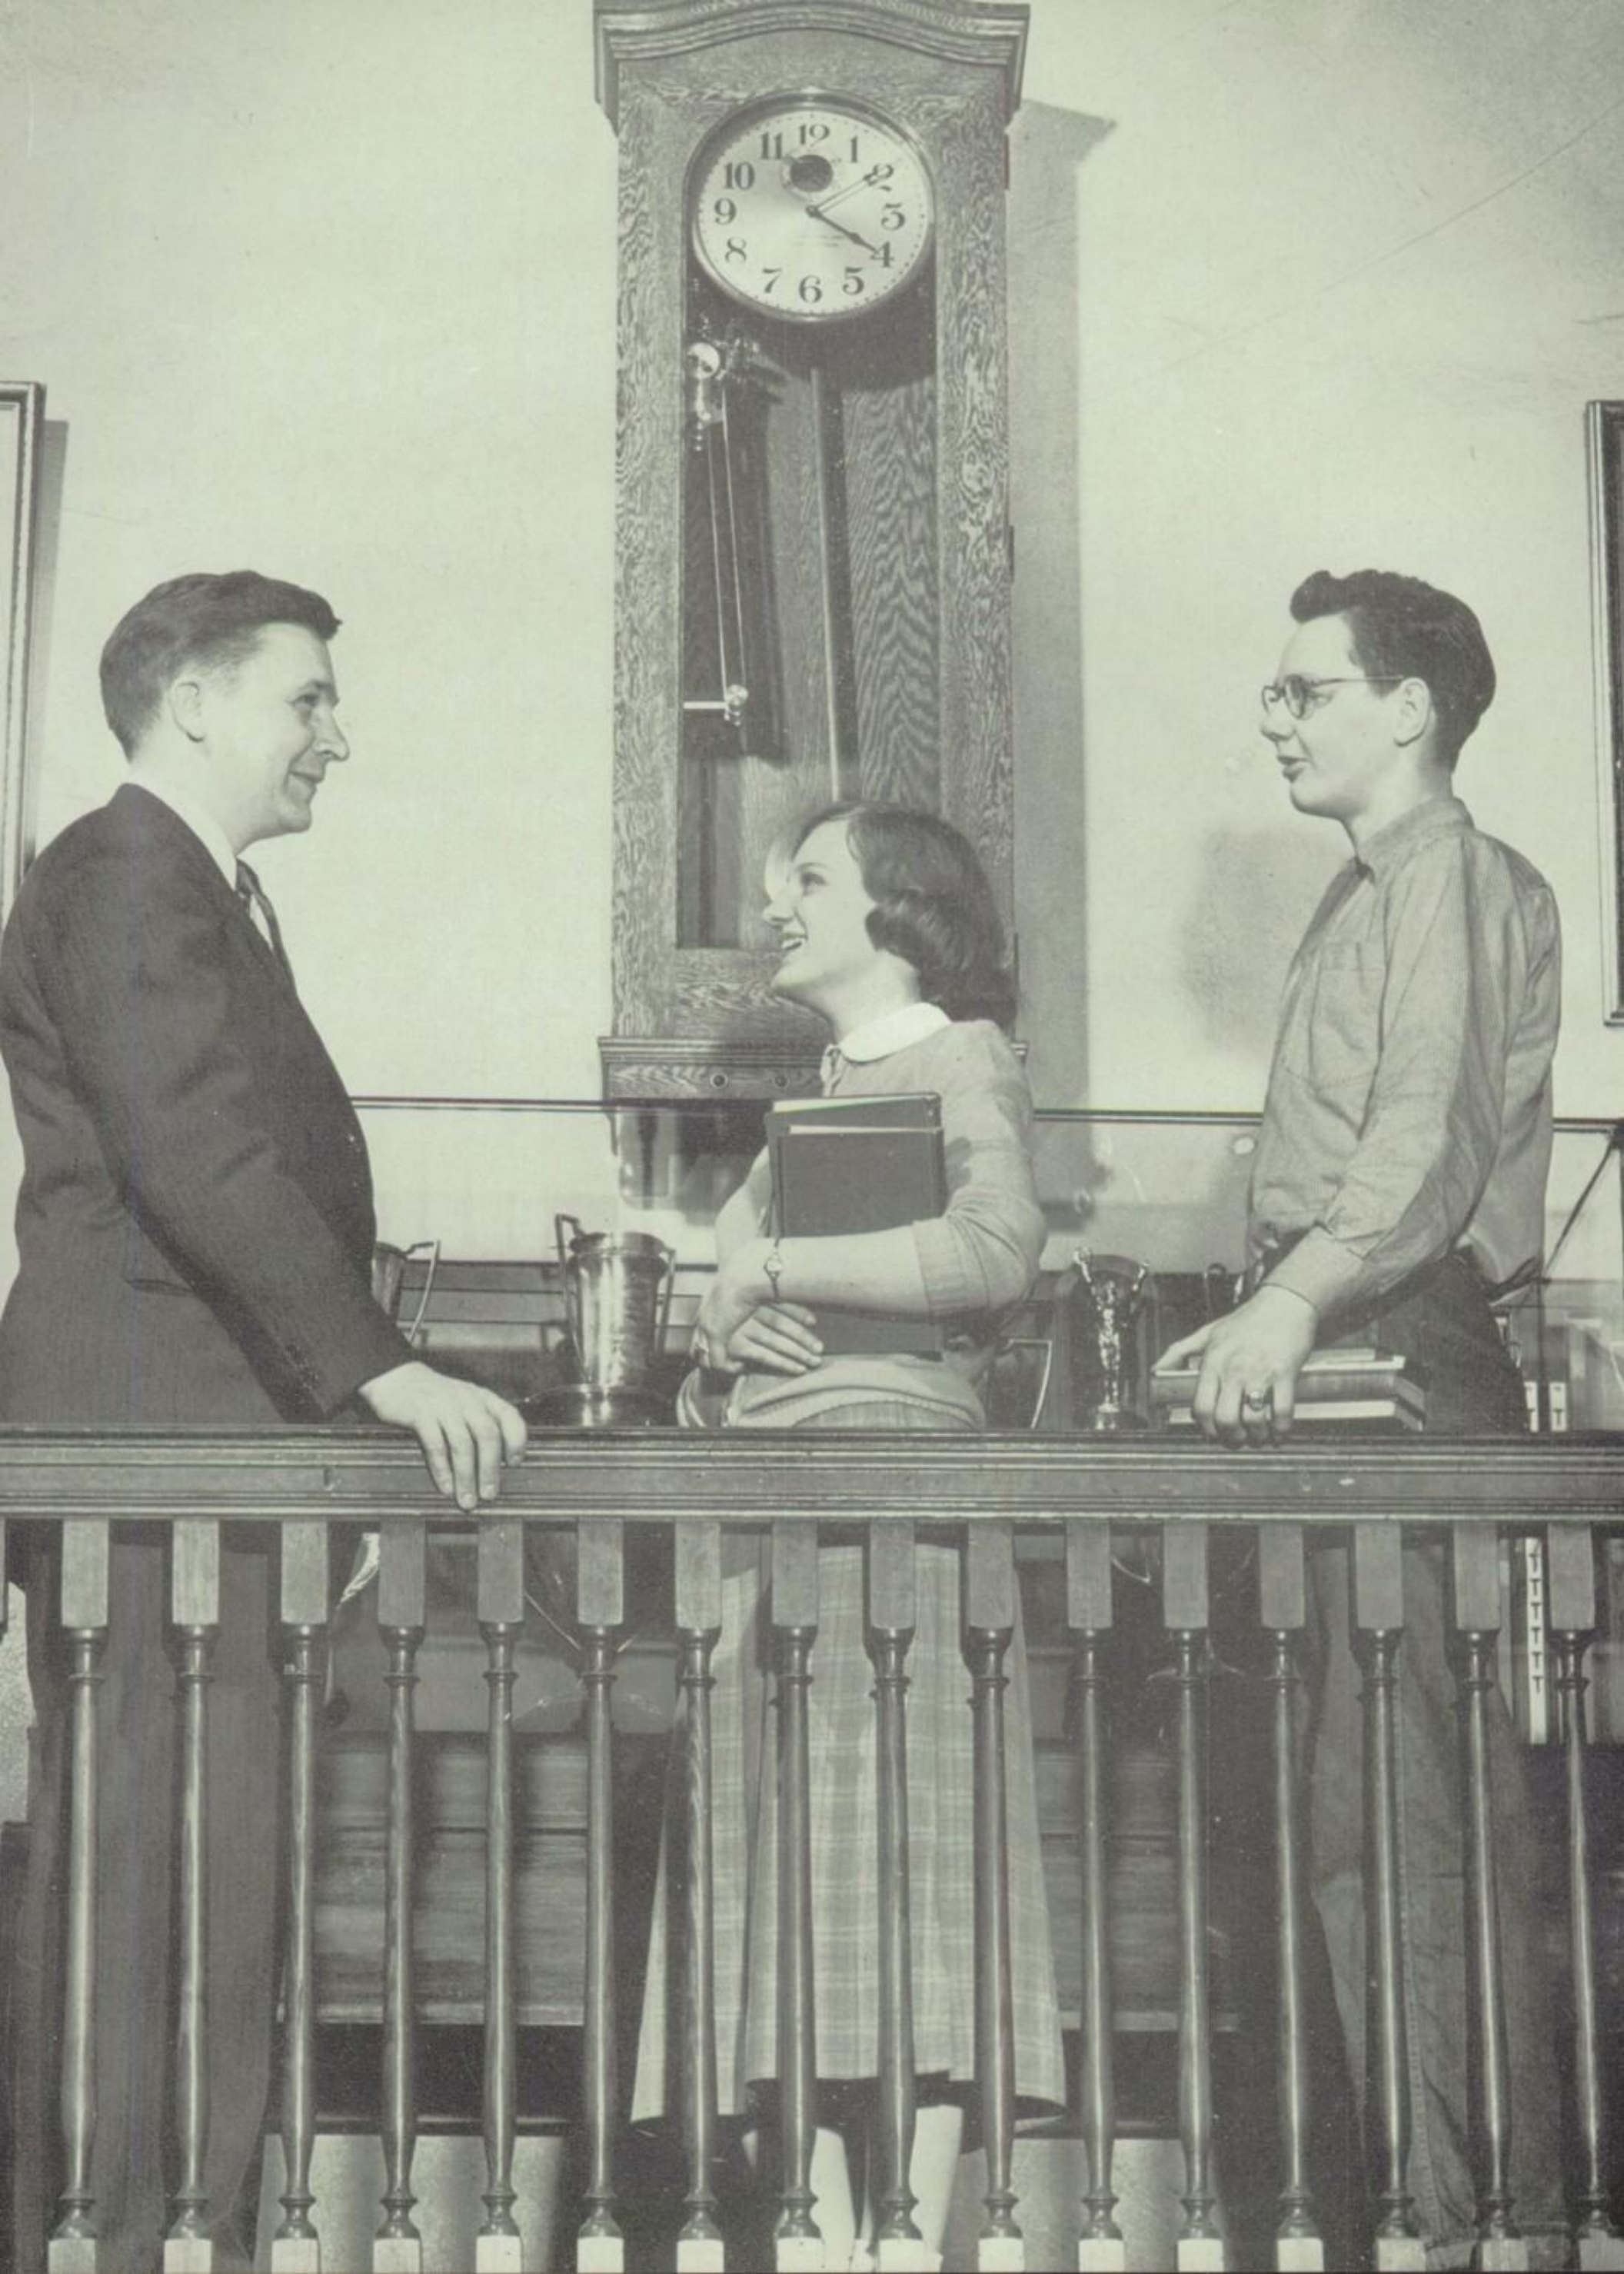

Because of her enthusiastic interest in young people, we, the class of 1950, wish to dedicate our mirror to Miss Mariam Thompson. Throughout approximately thirty years of teaching in the schools of Punxsutawney, Miss Thompson has won for herself the students' admiration and affection by her vivacious spirit and vibrant personality. In her classes one can feel the warmth of her charming manner. Whenever and wherever Miss Thompson may be seen, she always has a ready smile and a pleasant greeting. As proof of her lively interest in youth, she attends all basketball games and is a staunch supporter of the team. She also sponsors the Freshman Tri-Hi-Y, helping its members to live up to the high standards of that Christian organization and to solve any difficulties which may arise. Because of her enthusiasm she has become a favorite among the student body and faculty. This dedication is indeed an insufficient tribute in expressing the gratitude and appreciation we owe Miss Thompson.

The Board of Education of the Punxsutawney Public Schools consists of seven members, who are elected for a six year term and serve without remuneration. It is a fair-minded group of men, who are interested solely in the welfare of boys and girls and in the betterment of the schools. The Board of Education is the policy-making body of the schools and raises and expends the funds for the schools. One of the recent outstanding projects of the Board was the erection of the Mary A. Wilson elementary school. The officers are: George P. Grube, president; James M. Coble, vice president; H. T. Jack, secretary; and Donald Kurtz, treasurer. The other members are: Frank Harl, John Harvey, Sr., and Arthur Kromer.

The Board of Education and the superintendent work together to operate efficiently the schools of Punxsutawney. James T. Downie is the superintendent of the Punxsutawney schools. He is an administrative officer and operates under the direction of the school board. He is the supervisor for the schools as a whole.

Nelson H. Boyd is principal of the Punxsutawney Senior High School. Mr. Boyd is in charge at all the functions of the high school and performs the various duties of principal.

Marvin B. Clark is the assistant principal of the senior high school. Mr. Clark also acts as principal of the junior high school.

## *We Pay Tribute*

On November 27, 1949, Punxsutawney High School lost one of its most esteemed teachers, Miss Margaret C. Boles. Her death ended an outstanding career of thirty years, devoted to the teaching of English.

Miss Boles was noted as a superior teacher, not only in Punxsutawney but throughout the state. Although she required the utmost thoroughness from her pupils, yet she was always fair and impartial in judging their efforts. English from Miss Boles was truly a challenge.

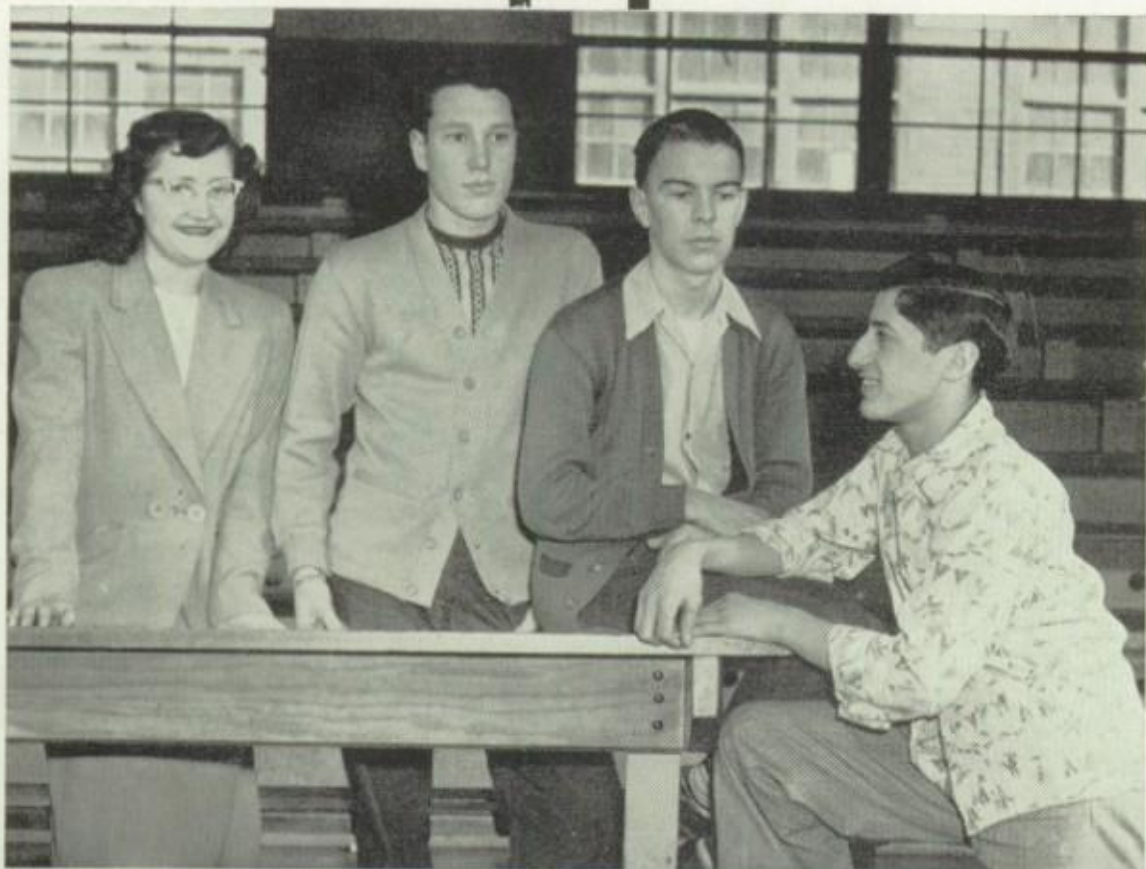

To be in one of Miss Boles' classes was a never-to-be-forgotten experience. From her trips through Europe and the United States and her early life in England, she had gleaned a colorful background of the places she had visited. These and numerous bits of wit and humor made her classes enjoyable as well as educational.

Besides teaching English, Miss Boles had developed and sponsored many activities in our school. She founded The Torch, now The Hi-Lights. She originated the Thespian Society. She supervised The Mirror. She took charge of the annual high school play and the commencement exercises.

In addition to her untiring efforts for the school, Miss Boles' generosity included providing milk for needy families here and sending boxes to the destitute in Europe. Her most outstanding humanitarian effort at great personal sacrifice was the financial aid and moral encouragement given to needy students for higher learning. Without this assistance these individuals could not have obtained a college education.

Because of her untiring labor and vast influence in bettering the school and the community, Miss Boles' death was indeed a great loss to us. Her memory will live long in the hearts of those who loved and admired her.

## PAN-AMERICAN CLUB

The Pan-American Club was organized eight years ago by students who were studying Spanish. Its purpose is to further the interest of its members in Spanish language and culture, as well as to promote better understanding and friendship between the United States and its Latin American neighbors.

At their meetings on the first Monday of every month, the club members studied booklets on the "Organization of American States." Students of the group were chosen each month to prepare and teach the lesson to others. On April 5, the Pan-American Club presented its annual Pan-American Day program.

The officers are: Marcia Reid, president; Roger Alexis, vice president; and Joanne Zeitler, secretary-treasurer. The club sponsor is Mrs. Strachan.

## LATIN CLUB

The Latin Club was organized in 1927 to further interest in the study of the habits, customs, and language of the ancient Romans. This year the club became affiliated with the National Association for the Promotion of the Study of Latin, and the members participated in the nationwide A.P.S.L. scholastic achievement examination offered this spring.

Special projects included the publishing of "Fulmen Jovis," the club newspaper, the presentation of a chapel program, and an open meeting. The highlight of the year's activities was the annual Latin Club banquet.

The officers are: Barbara Eggleston, president; Glenna Hetrick, vice president; Mary Anne McClusky, secretary, and Kim Frease, treasurer. Miss Cokely is the adviser.

## FRENCH CLUB

The French Club, Le Cercle Francais, was formed in 1927 to give students taking that language a better understanding of French customs and the country of France.

On the second Monday of every month, club meetings were held in the homes of various members. The president conducted the meetings in French. Roll call, games, and songs were in French. "La Petite Journal," a French newspaper, kept the members well-informed on current events in France. A new project started by the club this year was the printing of a bulletin, entitled "Fleur-de-Lis." The co-editors of the paper were Donald Christy and Bea May Staples. Puzzles, stories, and other facts of interest were included.

The officers are: Cleve Oliver, president; Mary Jo Travis, vice president; and Helen Levy, secretary-treasurer. Miss Pantall is the faculty adviser.

The Thespian Society was organized in 1927 for the purpose of fostering worthwhile plays and developing an interest in dramatics. The society is entirely responsible for the production of its plays, with the members serving as directors, property mistresses, and prompters. Frequently, when calls come for the cast of the annual production, which for the past two years has consisted of three one-act, student-directed plays of varied types, the Thespian member dons the sock or buskin of the actor to fill the role. This year three plays were presented in chapel: "Wienies on Wednesday," directed by Barbara and Joan Freas; "A Vane Effort," directed by Emily Funk and Nancy Philliber; and "Three's a Crowd," directed by Marjorie Harrick and Sandra Ulp. The three one-act plays of the annual production were: "One of Us," a mystery drama, directed by Paul Feicht and Ken Potts; "Uncle Bob's Bride," a comedy, directed by Ed Dunmire and Tom Barkley; and "The Mad Breakfast," a farce, directed by Patty Blose and Nancy McKee.

No identifying sweaters or insignia are worn by the Thespians; no banquets or parties are held. However on Class Day Thespian pins are awarded to those seniors who have earned a specified number of points under the club's rigid achievement system. The members desire to be recognized by their abilities alone; their reward is the satisfaction of a job well done.

All of this year's plays were dedicated to the late Margaret C. Boles, founder of the Thespians, who for 22 years was the sponsor and severest critic of the society's work.

The officers are: Joe Pollock, president; Emily Funk, vice president; Joan Freas, secretary; and Paul Feicht, treasurer. Mrs. Lewis and Miss Dennison are the advisers.

## SENIOR TRI-HI-Y

To create, maintain, and extend high standards of Christian character throughout the home, school, and community is the purpose of the Senior Tri-Hi-Y. The club has a membership of fifty girls from the junior and senior classes. The Tri-Hi-Y is affiliated with the State Y.M.C.A. and participates in its projects. The girls completed the Bible study Teen Talk IV this year and presented a movie for chapel, entitled "Amos, One of the Minor Prophets" on January 11.

The present senior members of the Tri-Hi-Y were the official hostesses last summer during Centennial Week. Their work included directing visiting dignitaries to hotels and restaurants, selling histories and programs, ushering at the pageant, operating a concession stand, and acting in the capacity of traffic control personnel during the Youth Day Parade. The girls were attired in blue and gold uniforms.

The club, which is under the sponsorship of Mrs. West, met in the school and the Y.M.C.A. The meetings were conducted by the president, Rachel Nelson. The other officers were: vice president, Joyce Sankey; secretary, Bea May Staples; and treasurer, Nancy Philliber. Other committee chairmen were: Program, Kim Frease; Devotional, Bea May Staples; Membership, Barbara Eggleston; Service, Joyce Sankey; Social, Jo Anne Hardick; Public Relations, Rachel Nelson; and Finance, Nancy Philliber.

## SOPHOMORE TRI-HI-Y

The Sophomore Tri-Hi-Y is a Christian organization consisting of a group of girls from the sophomore class who are under the guidance of Miss Stockdale, the faculty adviser. The purpose of the club is the all around development of its members in body, mind, and spirit. "Pure thoughts, pure words, pure actions" is the slogan of the organization. Self-improvement, Christian fellowship, and united service are the bases for the platform. The colors of the club are red, white, and blue.

On March 13, 1950, an induction service was held in the gymnasium of the Frank S. Jackson Building, in which fourteen new members were welcomed into the Tri-Hi-Y. The program was under the leadership of Miss Stockdale and the officers of the club.

This year special membership cards were secured and issued to all the members. The cards were signed by the club adviser, president, and secretary. The club's purpose was also printed on them.

The officers are: Caroline Oliver, president; Betty Byers, vice president; Linda Ulp, secretary; and Joanne Reitz, treasurer.

## SCIENCE CLUB

Those interested in any field of science are able to gain much additional knowledge by becoming a member of the Science Club. Motion pictures, speakers, and projects, all part of the club's activities, are the main source of this information. Every year, Mr. Sherk and Mr. Mitchell, the sponsors of the club, attempt to interest each member in a project. This year, as in the past, many excellent projects were made. Some of them were: The Reproduction of Fruit Flies, Molds, Guinea Pigs in Connection with Tumeric Cancer Research, Undertaking Bullet Behavior, and Hydroponics (Soilless Cultivation). The usual field trip of visiting the Buhl Planetarium, Phipps' Conservatory, and the Carnegie Museum in Pittsburgh was varied this year by a vote of the club's members. Several suggestions for a trip were made, including one to Pymatuning Dam, Penn State, the Heinz plant, and Hershey, Pa. Several students visited these places.

The officers of the Science Club are: Joe Hazlett, president; Marcia Reid, vice president; Barbara Eggleston, secretary; and Joe Pollock, treasurer.

## CAMERA CLUB

The Camera Club is one of the largest clubs in P.H.S. The eighty members, composed of sophomores, juniors, and seniors who are interested in photography, gathered in the auditorium the first Monday of each month to discuss new and different techniques of photography. For instance, at one of the meetings Mr. Clark, the faculty adviser, showed the members the various steps in the development and enlargement of pictures. There were also photo contests at each meeting. Each person brought a scenic picture that he had taken that month. These were judged by Mrs. Wood, head of the Art Department, and commented upon by Mr. Clark. The winner of the contest usually received an enlarged picture of his scene as a prize. Under Mr. Clark's supervision, the members of the club often worked in the dark room, developing and printing pictures.

From the Camera Club were selected a few members who made up the Photographic Staff of the Mirror. These people were of valuable assistance in the production of the yearbook.

The club officers are: Bob Gillen, president; Don Ferringer, vice president; and Arlene Hobba, secretary-treasurer.

## FUTURE FARMERS OF AMERICA

The Future Farmers of America is a national organization of farm boys who are studying vocational agriculture. All of them hope to engage in farming. All phases of agriculture are studied with the purpose of making rural life more pleasant and profitable.

The Chuckberk Chapter numbers fifty-six in undergraduate and graduate members. This year's farm show to be held during the summer will be much larger than that of last year. Other events of the year included a field trip to Atlantic City, one to State College for a cattle-judging contest, and cooperative purchasing and selling of products, plots, chicks, and seeds.

The officers of the club are: Wayne Himes, president; Norman Dinger, vice president; Clyde McConnaughey, secretary; and George Manges, reporter. Mr. Mechling is the club sponsor.

## USHERS' CLUB

The Ushers' Club was organized by Mr. Downie upon the completion of the Frank S. Jackson Building. At any home football or basketball game, at plays, concerts, or other school activities, these boys can be seen working with speed and efficiency. Membership in the club is voluntary and is achieved by a vote of the standing members. The group has no social activity. The members follow the directions of their faculty adviser, Mr. Boyd, who has sponsored the club for the past twelve years. Through their unfailing service, this organization has gained the respect and appreciation of the student body and has become indispensable to P.H.S.

The officers of the club are: Don Shermer, president; and Joe Rend, treasurer.

## VARSIITY CLUB

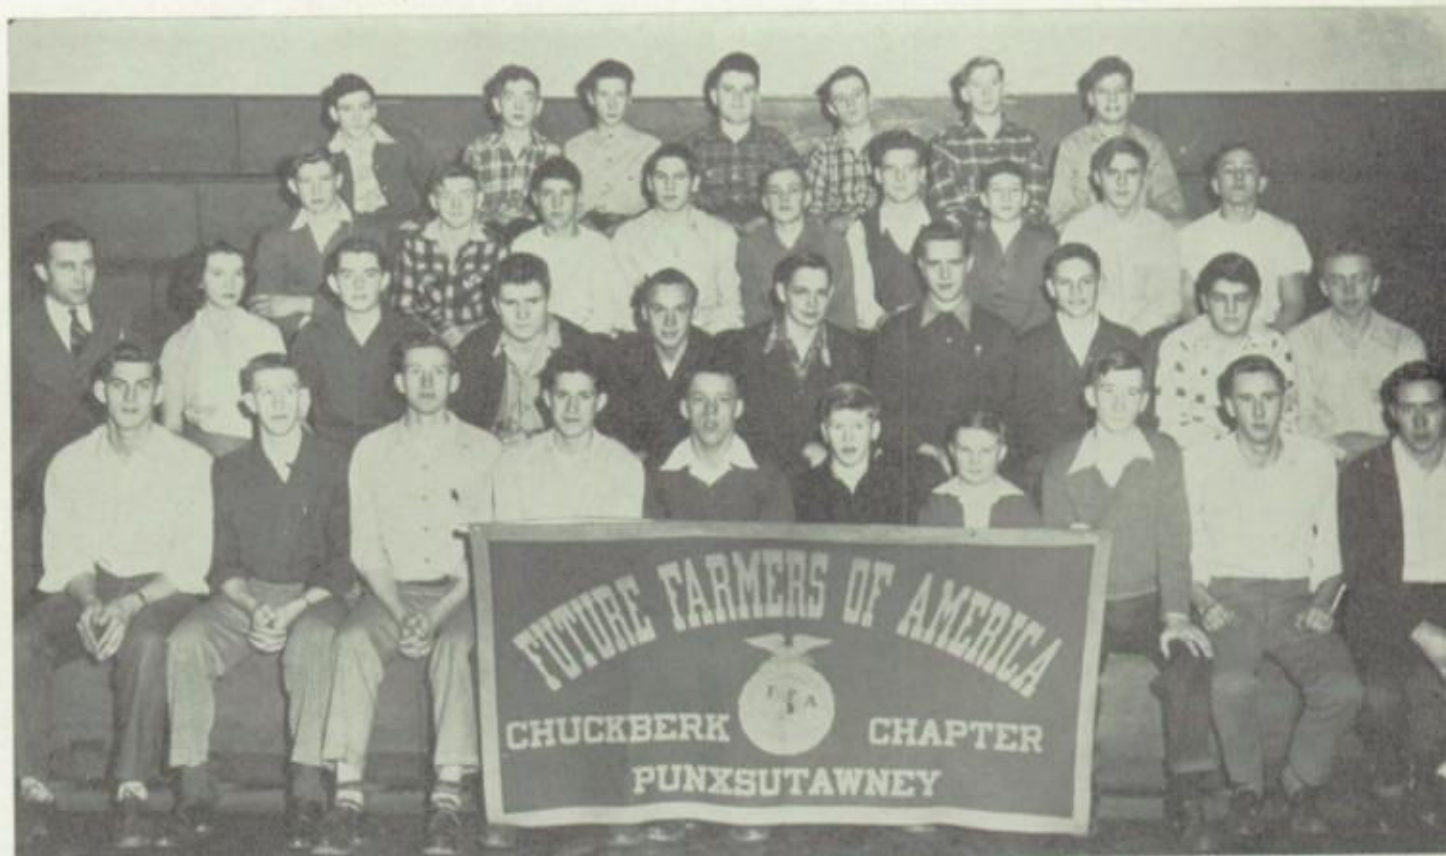

The Varsity Club was organized by Mr. Harrick in 1937 to further interest in sports and to promote good sportsmanship, both in sports and in everyday life. It is composed of boys in senior high school who have earned at least one letter in basketball, football, or track.

This year the group promoted two campaigns for the betterment of the school. Their cleanliness and honesty drives were met with enthusiasm by the entire student body and faculty.

The officers of the club are: Kearney Wachob, president; Dean Casaday, vice president; and Herman Muscatell, secretary. Mr. Boyd and Mr. Caylor are the faculty advisers.

# The Mirror . . .

GIVES TO YOU MEMORIES  
OF A WONDERFUL YEAR

MARY ANNE MCCLUSKY  
*Editor*

EMOGENE HAMILTON  
*Artist*

The Mirror is produced annually to tell pictorially and verbally the story of one year of school life in Punxsutawney Senior High School. The responsibility of composing the yearbook is assumed by the Mirror Board, which consists of the Editorial, Photographic, Business, and Clerical Staffs.

The Editorial Staff, with Mary Anne McClusky as its editor-in-chief, is responsible for the general plan and theme of the book. This group writes all the copy, or printed material, except club write-ups, which it revises and edits. The other members of this staff are: Bill Baun, Patty Blose, Barbara Eggleston, Alice Gach, Ronald Hughmanick, Sara Maze, Bill McCall, Isabella Packer, and Joe Pollock. Mr. Shaw is faculty adviser.

The Photographic Staff, as its name implies, takes all the photographs and snapshots which we enjoy. Although Mr. Clark, its faculty adviser, takes most of the more difficult pictures, the members of this staff assist him in various ways. They are: George Krouse, head of the staff, John Eiser, Paul Feicht, Marlene Freedline, Patty Kordes, and Betty Mauk.

To Emogene Hamilton must be given special mention for the outstanding art work

which appears on the division pages of the book.

The Business Staff handles all financial matters for the Mirror. This includes collecting the money for the senior, the underclass, and the club pictures, and writing checks. It also keeps a record of the income and expenditures of the Mirror. Joan Freas heads this group and Mr. Wilson is faculty adviser. The other members are: Howard Bish, Alice Ann Peles, and Marie Ross.

Emily Funk heads the Clerical Staff. Her assistants are: Marjorie Harrick, Glenna Hetrick, Nancy McKee, Marlene Molinaro, Nancy Philliber, Sue States, and Sandra Ulp. The primary duties of this group are to identify all the pictures, to crop and mount the underclass pictures, and to mail all the pictures to the engraving company. Mr. Shaw is faculty adviser.

For the most part each staff met informally after school to discuss its work and iron out problems. On the fourth Monday of the month the editor-in-chief presided over a joint meeting of all the staffs to discuss matters of general importance.

## COMMERCIAL CLUB

The Commercial Club, organized in 1926, is the oldest club in Punxsutawney High School. The purpose of the club is to create an interest in the different phases of business and to encourage cooperation among its members.

Any junior or senior, boy or girl, who is enrolled in the Commercial Course, is eligible for membership. This year there were 67 members in the club.

Meetings were held the third Monday of each month in the auditorium. Current business, skits, quizzes, and other forms of entertainment were prepared and presented by various members of the club. For example, the program for the March meeting consisted of a number of legal cases. Sally Lewis, acting as an attorney, gave advice on several points of law, which had previously been studied by the commercial law classes. This is only one example of the unusual and educational programs of the organization.

The officers this year were: Bonnie Smith, president; Anna Cochran, vice president; and Joyce Sankey, secretary-treasurer. Miss Bowers was the club sponsor.

## FUTURE HOMEMAKERS OF AMERICA

The two Future Homemakers Clubs in P.H.S. are local chapters of the national organization, the Future Homemakers of America. The purpose of the F.H.A. is to further the development of better homes in America. The theme of the club for 1949-1950 was "Better Homes Means Better Future Homemakers." To develop this theme the Chuckette chapters planned and carried on many activities, the outstanding of which were: an initiation supper in honor of new members, a Christmas party, holiday favors made for hospitals, and a Mothers' Tea and fashion show.

The senior group was proud to have one of its members, Margret Hickok, serve as State Secretary of the Future Homemakers of America. She represented the local clubs at the North Atlantic Regional Conference at Washington, at the Pennsylvania Farm Show, and at the State Convention in Scranton.

Officers of the senior group are: Anna Catherine Smith, president; Georgiann Smith, vice president; Henrietta Weaver, secretary; and Geraldine Pounds, treasurer. Miss Pifer is adviser.

Clara Jane Shields is president of the sophomore club with Julia Rend, vice president; Frances Shaffer, secretary; and Annabelle Kennedy, treasurer. Miss Harvey is the adviser.

## JUNIOR RED CROSS COUNCIL

The Junior Red Cross Council was organized in 1947. It is designed to promote international understanding and good will, develop better health and safety habits in our community, and assist in the solution of some of the problems confronting modern civilization.

One of the most important achievements of the Junior Red Cross Council during the 1949-1950 school term was the filling of a school chest for overseas shipment. A chapel program was presented to encourage enrollment in the Red Cross.

The council comprises one representative from each home room. The officers are: Evelyn Gall, chairman; Robert Barone, assistant chairman; and Shirley Gourley and Francis Depp, secretaries. Miss Monroe is the district chairman; and Miss Bartow, faculty sponsor.

## ART CLUB

The Art Club was organized to further interest in the field of art and to be of service to the school. This year the club not only helped with dance decorations, advertising, and scenery, but also had two important projects of its own. During the first semester, the members designed and produced the annual school calendar. This project was accomplished by means of linoleum blocks. These prints were hand-painted with water colors and sold before Christmas. The project for the second semester was a puppet show, presented in chapel in April.

The club, which is sponsored by Mrs. Wood, uses a merit system by which credits are given the members for attendance and work.

The officers are: Joyce Drummond, president; Theresa Shiock, vice president; and Minta Cessna, secretary-treasurer.

## TWIRLERS' CLUB

The Twirlers' Club, sponsored by Mr. Roderick, met the fourth Monday of every month. During the meetings the girls practiced marching and twirling batons and flags under the direction of the majorettes.

In order to try out for either majorette or flag twirler in the spring, one must belong to this club. Each girl in the organization is given a chance to try out. She is judged according to her skill, posture, ability to march, and cooperation with others.

Since there was no president of the Twirlers' Club, Mary Lindsay, president of the majorettes, presided over the meetings. The other high-stepping majorettes are Marcella Kerchinski, Minnie Manges, Dolores Dubensky, and Shirly Means. The Swiss Flag Twirlers are Jeanne Brown, Sally Wachob, and Patty Kephart.

## GIRLS' ATHLETIC LEAGUE

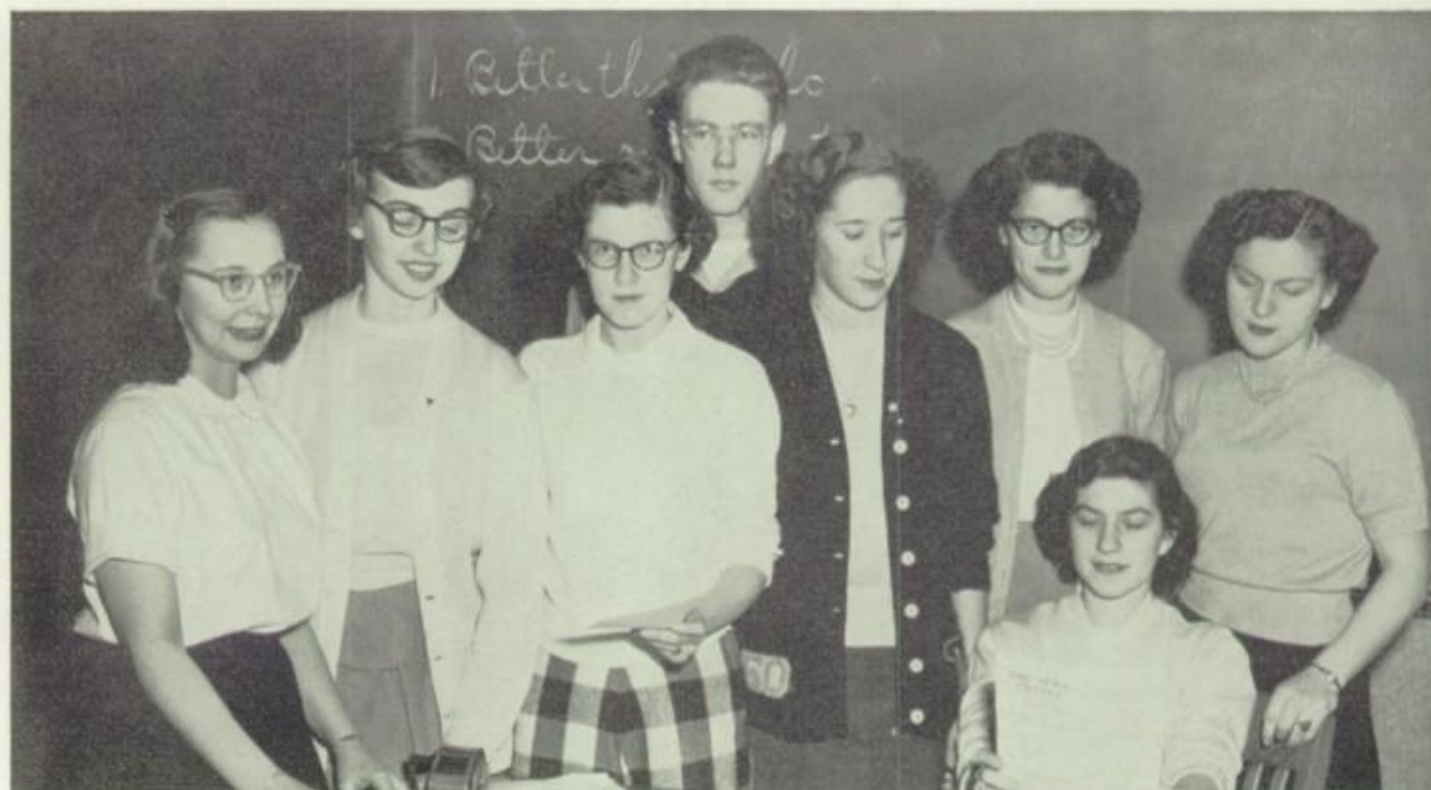

The Girls' Athletic League is one of the more recent additions to the extra-curricular activities of Punxsutawney High School. It was organized this year by Mrs. Howard, Girls' Physical Education Director. The club is comprised of the feminine sports lovers of the school. The members may be easily identified by their bright red and white beanies.

The group held its meetings on the gymnasium on the fourth Monday of each month. Many activities were sponsored by the G.A.L. during the year. Among them were basketball and volleyball tournaments.

Since the club is newly organized, it does not count in the point system. However it is expected to in the future.

The officers are: Jo Anne Hardick, president; Barbara Anderson, vice president, and Rachel Nelson, secretary. Mrs. Howard is the club sponsor.

To put out a superior high school paper is the foremost aim of the Hi-Lights Staff. For four consecutive years the Hi-Lights has placed second in state-wide annual contests conducted by the Pennsylvania School Press Association. The staff will not be completely satisfied until its paper is in first place.

"Hi-Lights Day" is a welcome one in P.H.S. The enthusiastic greeting the paper receives from the students proves its popularity. For the members of the staff this is their "ideal day."

The Hi-Lights, a monthly publication, replaced the Torch, the first school paper, in 1936. The staff members work to meet each deadline with material that is instructive and amusing. Write-ups on sports, club activities, individual columns, alumni news, and other items of interest may be found in the paper.

The editor-in-chief is Kimball Frease, with Nancy Philliber and Joyce Sankey serving as assistant editors. Mr. Beam is the adviser of the news staff, and Mr. Clark supervises photography.

## OFFICE SQUAD

The Office Squad, under the direction of Miss Monroe, Miss Braunn, and Mr. Boyd, is composed of students from the Commercial Department who wish to gain training in office work by actual experience. Each member devoted one period a day to working in Mr. Boyd's office. The duties of these girls included taking dictation, filing data, making out reports, and learning the proper telephone techniques.

At promptly 1:05 every day one could hear the familiar phrase, "Attention, please." This was followed by the important announcements, read by a member of the Office Squad or Miss Braunn. This group is to be congratulated for its efficient work. "Service with a smile" is their motto.

## STUDENT COUNCIL

The Student Council was organized in 1948 as the representative body of the senior high school. The purpose of the council is to serve as a medium between faculty and student body, to promote student participation, and to contribute to the general welfare of the school by helping to foster school spirit and fellowship among the pupils and by promoting the practical principles of democracy.

All high school dances, including the prom, are sponsored by the Student Council. A Cleanliness Campaign was conducted this year to encourage neat home rooms. The greatest accomplishment of the group was the inauguration of the new system of electing class officers.

Representatives to the council are selected by the home rooms. The president is elected by the whole student body. This year's officers are: Mickey Barilar, president; Joan Freas, secretary; and Margie Brocious, treasurer. Miss Wargny, Mr. Doney, and Mr. Beam are the faculty advisers.

## LIBRARY CLUB

To aid the student body and to stimulate active interest in the library is the purpose of the Library Club. Under the direction of Miss Fenton, the twenty-four members arrange books, charge and discharge books, and assist with other routine duties. Each girl is assigned a special time to come into the library to work. Membership in this club is valuable to those who have a deep appreciation for books and who plan to make library work part of their future.

During the past school year at the meetings on the fourth Monday of each month, a business session was held, followed by games and other entertainment.

The officers are: Anna Engle, president; Mary Lou Robertson, vice president; Annabelle Bish, secretary; and Dolah Spencer, treasurer.

September 9—Outplayed and outfought by a gallant Brookville eleven, the Punxsutawney "Chucks," coached by Mr. Harrick, managed to put together two beautiful plays to win 13-6. Jim and Mickey Barilar and Mike Meko were outstanding for the "Chucks."

September 16—Sykesville scored in the final quarter to bring about a richly deserved tie with the "Chucks." After a thirty yard pass from Jim Barilar to Mickey Barilar, the score stood at 6-0 in favor of the "Chucks." Then in the fourth quarter, with but 15 seconds remaining, Frank Bontempo rifled the ball to Bill Yorko, standing in the end zone. The final score was Punx'y 6, Sykesville 6.

September 22—The "Wilcats" of Kittanning scaled undreamed of heights as they smothered a highly favored Punx'y eleven 9-0.

September 30—The "Chucks" capitalized on a Curwensville fumble and an intercepted pass and then passed 51 yards to defeat the "Golden Tide" of Curwensville 20-7.

October 7—Indiana's "Magnificent Midgets" pulverized a hapless Punx'y team by a score of 26-0.

October 14—Clearfield converted a blocked punt into a touchdown and rolled 55 yards

for another to defeat a stubborn Punx'y eleven 14-0. The "Chucks" only serious threat came in the final quarter when they drove from the Punx'y 23 to the Clearfield 25 yard line.

October 21—Punx'y overwhelmed a completely outclassed Franklin eleven by a score of 32-14. The "Chucks" ran wild in the first half, running up a total of 25 points. Barilar, Wachob, and Sivanich starred for Punx'y.

October 28—Windber extended a four game winning streak over Punx'y by overcoming the "Chucks" 27-7. Although well-beaten, the "Chucks" of 1949 had the distinction of being the only Punx'y team ever to score on Windber.

November 4—Tom Yecic scored four touchdowns as East Conemaugh defeated Punx'y 38-21.

November 11—An inspired Punx'y team fought DuBois, Western Conference Champs, to the very limit before bowing 14-6. The Red and White's only touchdown came on a southpaw pass from Dick (Lefty) Longo to Jim Barilar. It was without doubt Punx'y's best game of the season.

## Highlights of the Basketball Season

The 1949-50 season closed with a record of 6 wins and 12 losses. The record, while not very impressive, gave some satisfaction to the "Chuck" followers after the previous disastrous season. The remarkable, outstanding improvement in the playing of the underclass varsity members at the close of the season left the Chuck fans anxiously looking forward to the 1950-51 season.

A close victory over Indiana was the only early season encouragement the Punx'y team received. Although the four returning lettermen, Jim Barilar, Jack Grube, John Levy, and Dave McLaughlin together with the newcomers fought hard and courageously in those early engagements, there was little improvement over last year's record.

The tide turned on January 27. After 16 successive league defeats, the "Chucks" won their first "A" loop game in two years by defeating Clearfield 45-42. The next game however, ended in a disappointing defeat at the hands of DuBois. Nevertheless, inspired by their previous victory over Clearfield and

# Basketball DEVELOPS CO-ORDINATION AND TEAMWORK

a second win over Indiana, the "Chucks" rallied in the final quarter to defeat a strong Brookville five. This game proved to be the best of the season. After another victory over Clearfield, DuBois ended Punx'y's second half flag hopes with a decisive 42-35 win.

The stellar performances turned in by the revamped "Chucks" in the second half race after the dismal first half showing was the real bright spot of the 1949-50 season. Despite the inexperience of most of the team and the exceptionally high caliber of the ball players found on the opposing league teams, our team improved rapidly and steadily, game by game. At the close of the season they gave every indication that they would be in the thick of the league race from the opening whistle next year. With the return next year of Hester, Tait, and VanDyke, sophomores, and Levy, a junior, Coach Binney's boys should be a real threat for top honors.

We would like to conclude with an individual salute to each member of the squad and a brief appraisal of his contribution to the 1949-50 season.

Don Shermer, a six foot blonde senior, was a standout on defense and was at all times a team player. Don was elected honorary captain by the lettermen.

Jack Grube, a two year varsity basketball letterman, played his final game for P.H.S. this year. He is a tall, dark-haired senior and a credit to the team.

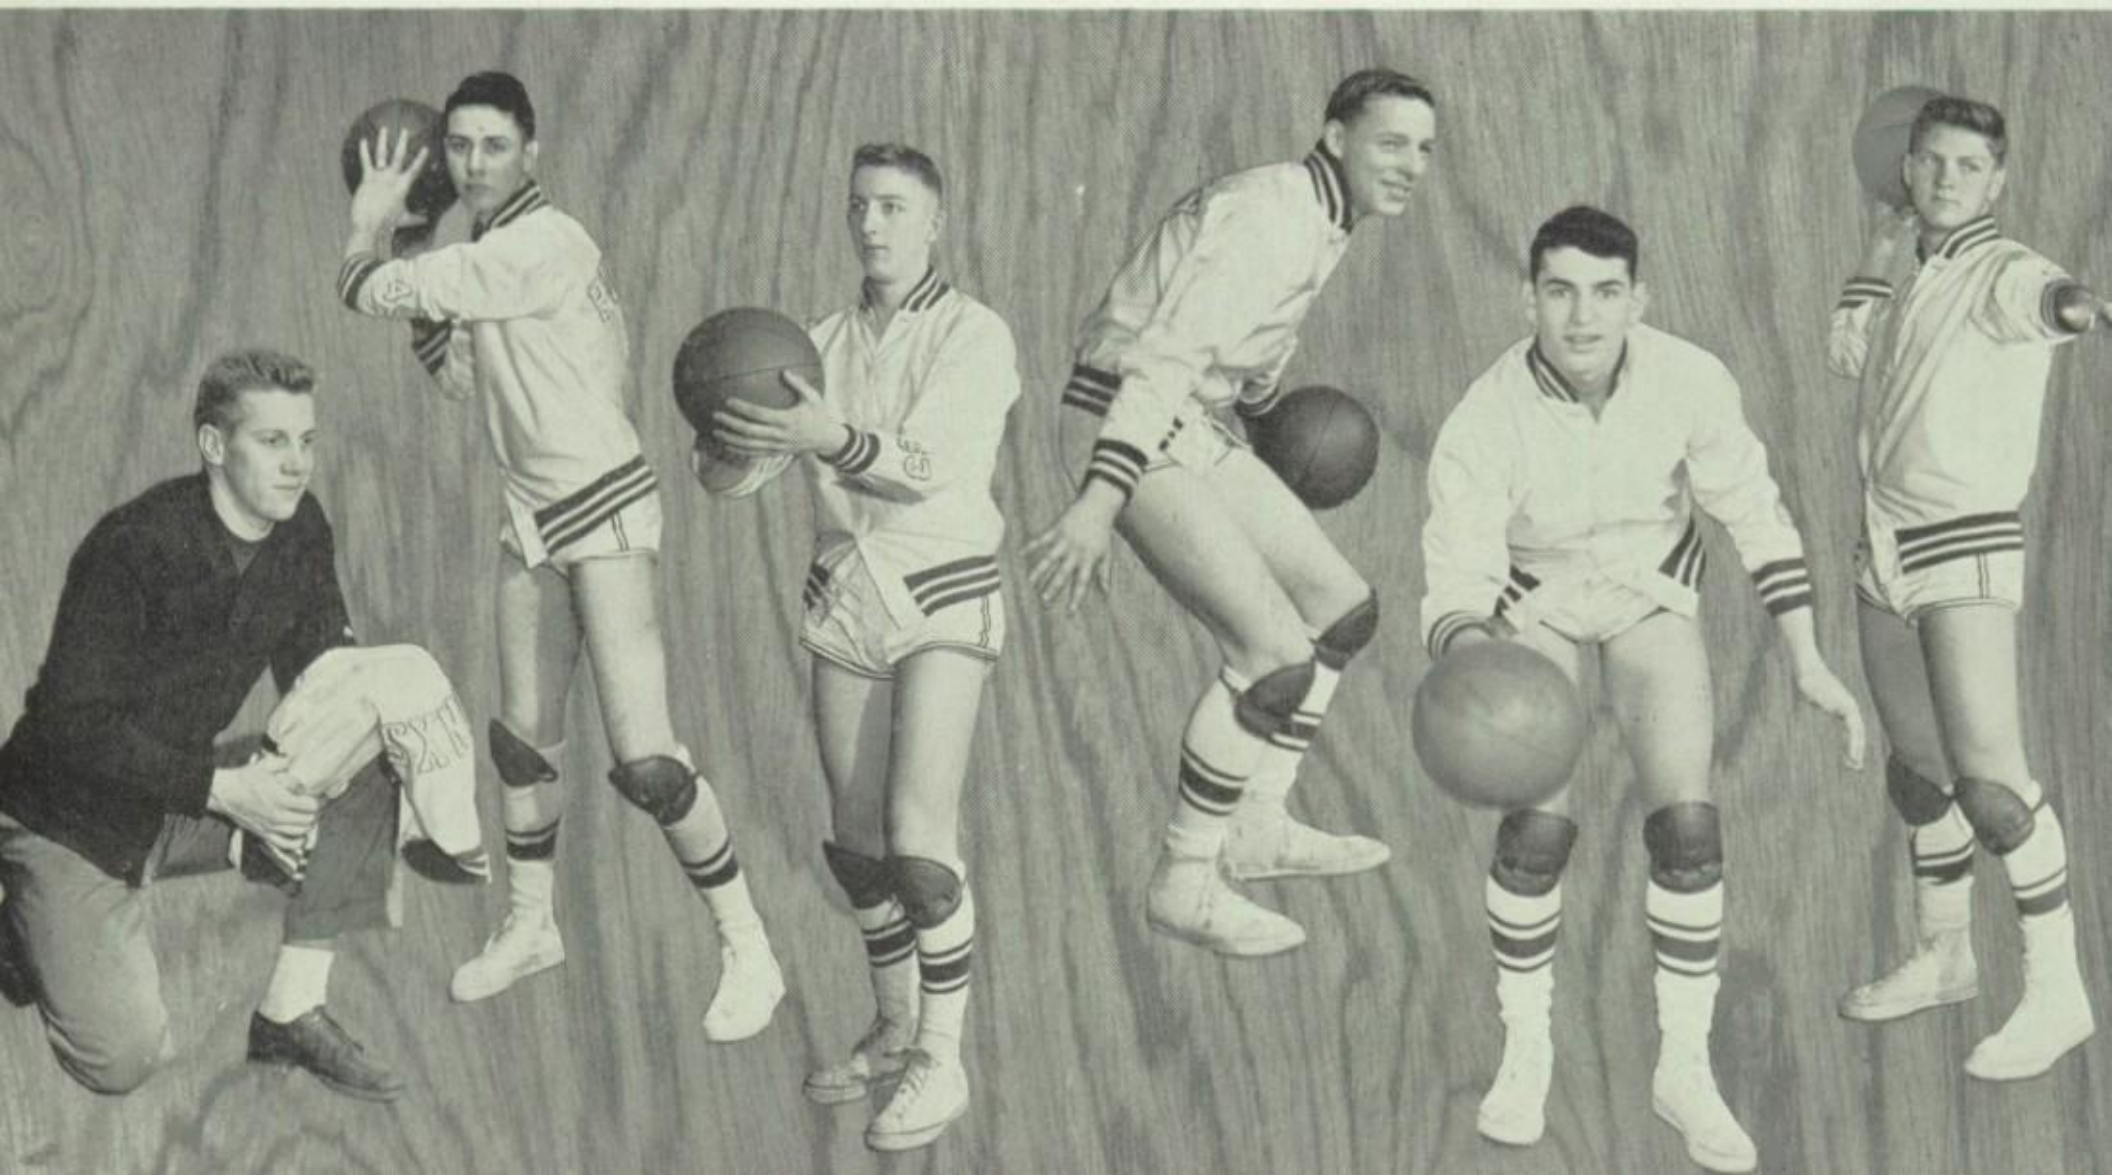

Don Ferringer, a short blonde who is commonly known as "Mole," wound up his basketball career this year. He was fast-moving and a dead shot from outside.

Jim Barilar, a three year letterman, also ended his basketball days this year. Jim was not on the team during the latter part of the season because of illness.

Jim McGee, a tall lad up from the Junior Varsity squad, played at center position. He was a help to the team, especially on the back boards.

Cleve Oliver, a lively senior, also completed his basketball courtmanship this year. Cleve played forward on the squad although

a leg injury he received during football season slowed him down.

Carl VanDyke, a sophomore, played forward for the "Chucks." "Buddy" was swift-moving, and a point maker. On February 6 in a game against Indiana, "Buddy" established a modern "Chuck" one game scoring record by tallying 32 points.

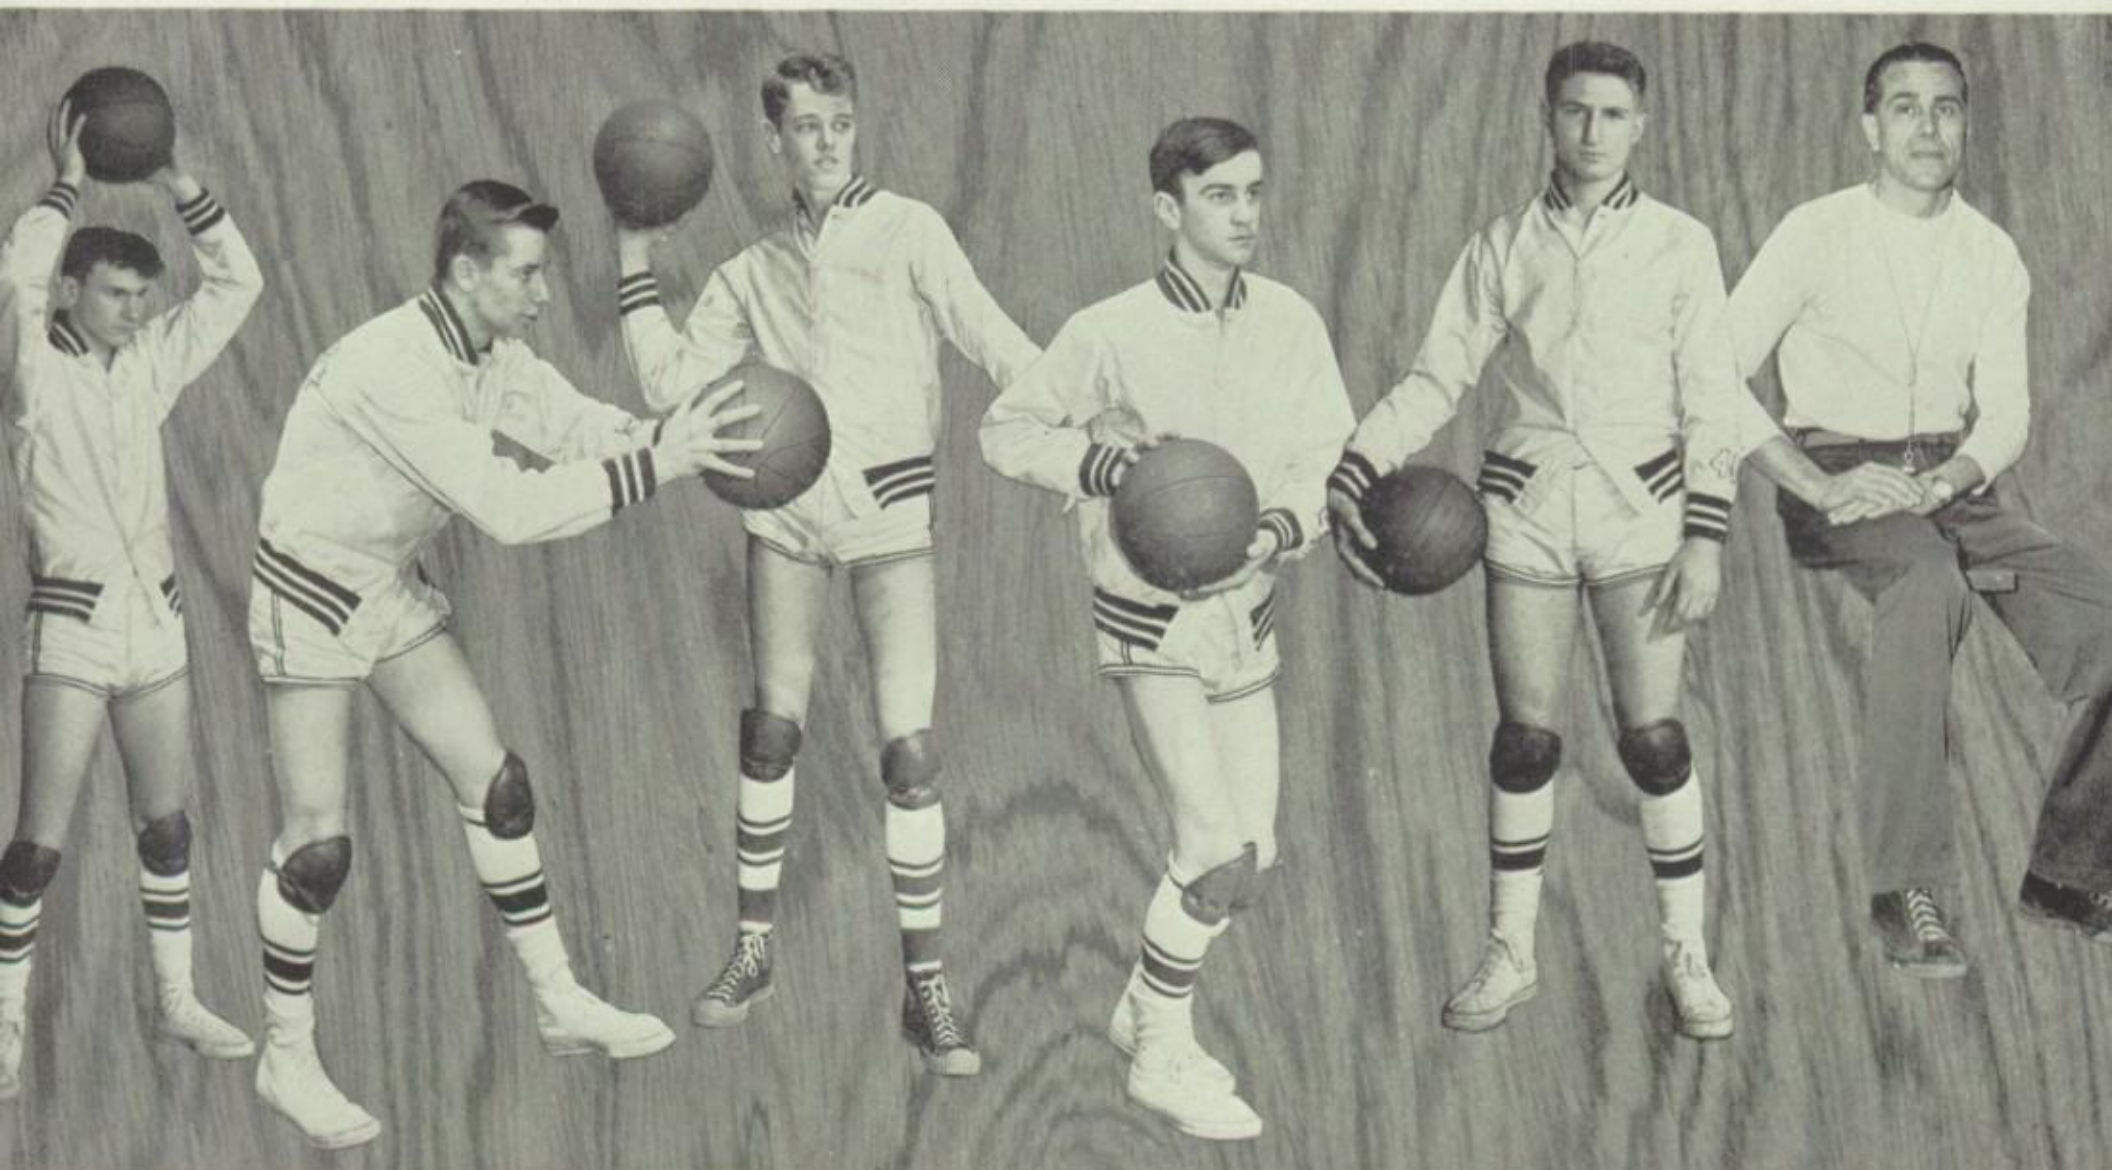

Sutton Tait, another sophomore and first year man, played forward on the squad. He

was a heavy point man and a threat to any opposition.

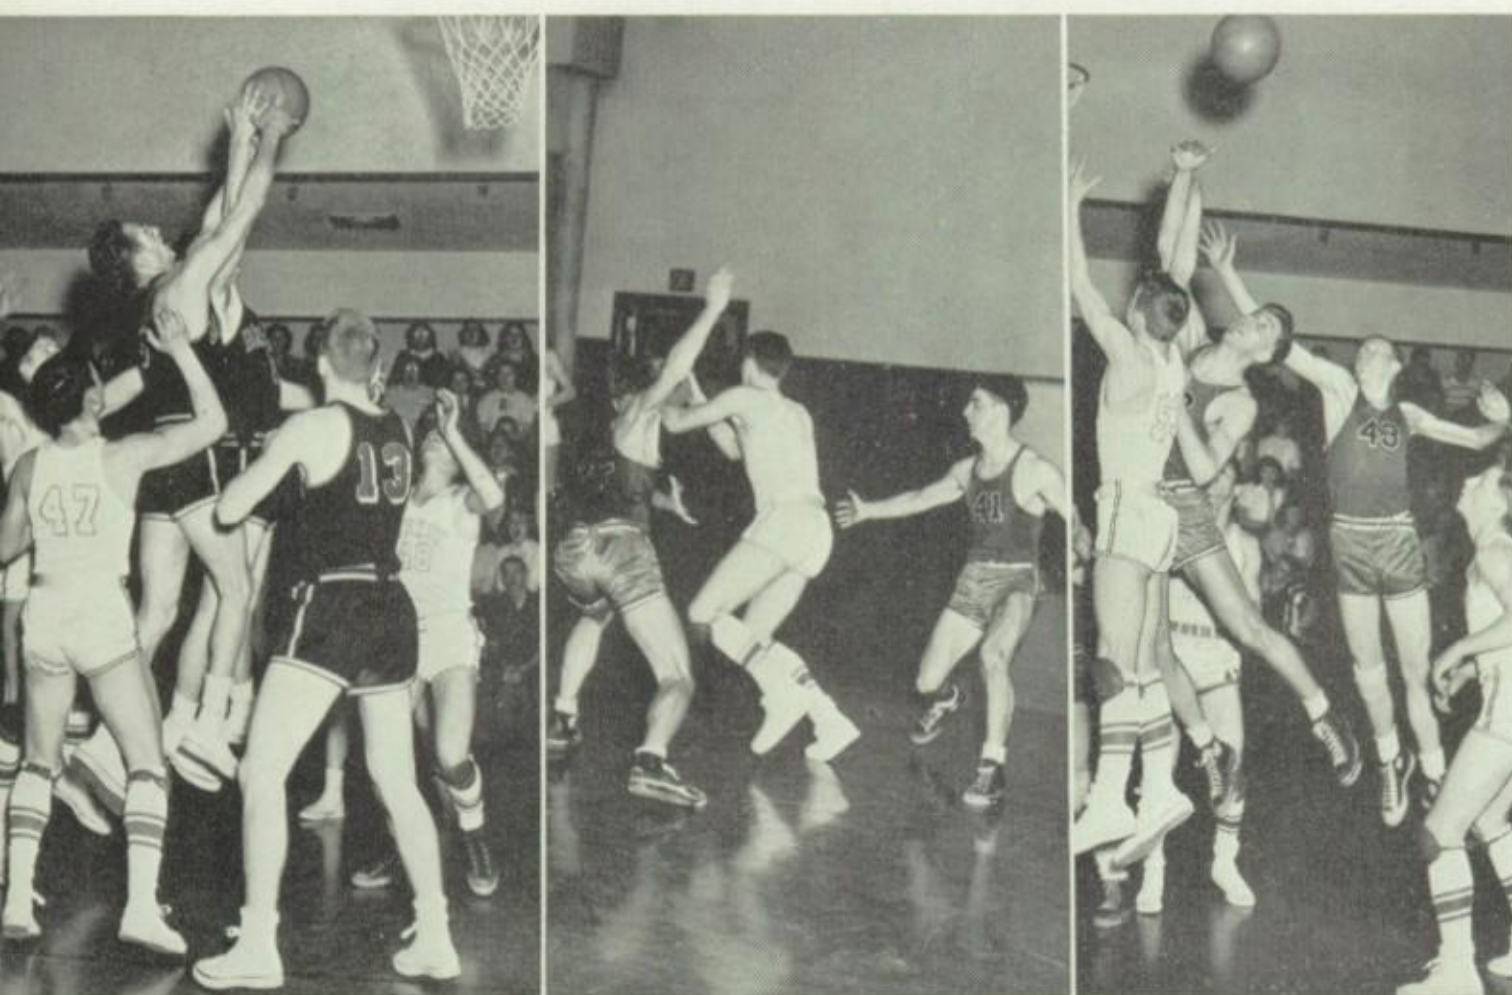

Tommy Hester, a six foot two sophomore, was a new member on the squad from Wilkinsburg. Tom was also a high scorer.

John Levy, the only junior, is well known as "Big John." He held down the center position for the "Chucks." John was a heavy board man.

## TRACK

On April 3, 1950, approximately 80 boys met with Coaches Doney and Clark at Harmon Field to try out for this year's track team. Among these were four returning lettermen: Dick Longo, Cleve Oliver, Dean Casaday, and Don Shermer. Other veterans of last year's team were: Ed Dunmire, Jim McGee, Herman Muscatell, John Levy, Steve Gomola, Orville Kline, and John Betts. The 1950 schedule was as follows: April 28, DuBois; May 5, Big Three Meet at DuBois; May 9, Indiana; May 20, District Meet at Bradford; and May 27, State Meet at State College.

## BASEBALL

Early in April 300 boys responded to the call of Coach Harrick to participate in the intramural baseball program. A round-robin schedule of twelve games was arranged. As the yearbook went to press, two games had been played. The seniors defeated the juniors by a score of 16-10 while the sophomores downed the freshmen 6-2. However, as was explained by Mr. Harrick, not victory in the games but participation was stressed. Each player on the teams was given a chance on the diamond. Prior to the game, the coach explained some baseball fundamentals, such as batting stance, fielding, and base running. The Punx'y High prognosticators predicted that the seniors would win this year's championship.
